A live and archived webcast of the conference call will also be available at the Company's investor relations website at <http://ir.cangoonline.com>.

### About Cango Inc.

Cango Inc. (NYSE: CANG) is primarily engaged in the Bitcoin mining business, with operations strategically deployed across North America, the Middle East, South America, and East Africa. The Company entered the crypto asset space in November 2024, driven by advancements in blockchain technology, the growing adoption of digital assets, and its commitment to diversifying its business portfolio. In parallel, Cango continues to operate an online international used car export business through [AutoCango.com](https://www.autocango.com), making it easier for global customers to access high-quality vehicle inventory from China. For more information, please visit: [www.cangoonline.com](http://www.cangoonline.com).
